

**CITY OF SHERMAN
CENTRAL BUSINESS DISTRICT HISTORIC
BUILDING RESTORATION AND IMPROVEMENT GRANT PROGRAM**

GUIDELINES AND POLICIES

The Building Restoration and Improvement Grant Program is designed to stimulate improvements to existing historically significant buildings in the Central Business District of the City of Sherman, Texas, to promote tourism, to enhance the physical appearance and economic vitality of downtown Sherman, and to promote joint public/private investment to complement ongoing historical revitalization efforts.

Program Objectives and Available Assistance

- To make positive, high-impact visual improvements to historically significant commercial buildings by providing an overall enhanced image for downtown Sherman, thereby attracting visitors to shop, dine, and do business in the Central Business District
- To provide a maximum of \$25,000.00 per project as a matching monetary incentive, a grant packaged as a forgivable loan with a conditional lien placed on the subject property, to the owners of historically significant commercial properties in the Central Business District for high-quality improvements to their properties
- In all cases, for every \$4.00 the applicant invests in the renovation or improvement of the subject property, the City will reimburse \$1.00 of qualified expenditures, up to the maximum grant authorized by the City Council not to exceed \$25,000.00 per project

Eligibility Requirements

- Assistance under this program will be considered subject to the availability of funding.
- Historic buildings within the downtown improvement area (map attached) that are of a commercial, retail, service, or professional use are eligible to participate in the program.
- For mixed-use historic buildings, only the portion of the building that is commercial, retail, service, or professional is eligible.
- The building to be improved must have historical significance either from an architectural point of view or a historical use or event that would tend to attract tourists to the buildings location.

Minimum Guidelines

- Buildings improved with funds from this program must remain open, operative, and free of graffiti and blight for a period of five (5) years from the date of agreement and until the lien is released.
- Tax payments for the subject property shall be up-to-date at the time of application and kept current throughout the five-year grant period.
- Outstanding work orders for the City's Developmental Services Department and/or the City's Fire Department and requests to comply therewith must be addressed prior to grant approval. Any noncompliance or outstanding violations will disqualify the applicant.

- **Grants will be approved at the sole discretion of the City.**
- To be accepted into the program, projects must make a substantial visible improvement to the appearance of the building, at the discretion of City staff. Repainting a building its same colors is considered maintenance, not an improvement.
- Building improvements should maintain the character of the downtown area; and the design drawings must be approved by the City in order to access funding for improvement.
- Improvements to be undertaken shall conform to the City's Codes and any other policies and regulations applying to the subject property.
- **Retroactive applications will not be accepted.** Applicants must consult with City staff before work begins to define a project scope.
- Program funds shall be made available only to projects that enhance and are sensitive to the historical nature of the structure.
- For properties with multiple storefronts, it is recommended that the façade treatment provide a cohesive theme while also allowing for some distinctive design elements to the various businesses, such as signage, exposing transom windows, lighting, flower boxes, murals, etc., to provide better street visibility and promote economic development downtown.
- For corner buildings fronting more than one street, improvements must be made to each frontage if determined necessary by City staff.

Application Prioritization

Funding is limited, and project applications will be prioritized on a first-come, first-served basis.

Eligible Improvements

Eligible improvements must be permanent in nature as determined exclusively by the City of Sherman. All improvements must be consistent with the City of Sherman Master Plan, Zoning Ordinance, Building Regulations, and other applicable laws. Eligible costs include the cost of materials, equipment, and contracted labor to complete eligible improvements, including, but not limited to, the following:

- New commercial or mixed-use construction
- Commercial code compliance renovations
- Permanent commercial interior remodeling improvements
- Permanent commercial site (exterior) improvements
- Compliance with Americans with Disabilities Act (ADA) for commercial properties
- Work necessary to bring the structure up to life-safety code standards
- Installation, repair, and replacement of exit (exterior) doors and hardware
- Repair, replacement, or addition of exterior shutters and awnings/canopies
- Repair, replacement or purchase of signs (when performed as part of an overall façade improvement)
- Repair and replacement or installation of interior and exterior stairs, porches, railings, and exit facilities
- Repair and rebuilding of interior and exterior walls, including cleaning, sealing, tuck pointing and painting
- Repair or replacement of frames, sills, glazing, replacement of glass and installation of new windows
- Installation of permanently affixed landscaping, such as stone or brick planters

- Installation, repair, or replacement of exterior lighting
- Mechanical, including rewiring, replumbing, insulation, mechanical systems/climate control

The City will prioritize projects. Consideration will be given to (1) threats to the survival of the structure, (2) importance of the structure to the overall goals of the program, (3) structural integrity and condition, and (4) cost effectiveness of the proposed work. In determining the grant amount, the City will also consider the time required to complete the project. Applicants are requested to limit their requests to projects that can be completed in a twelve (12) month period.

Ineligible Improvements

- No structural addition that would enlarge the residential (livable) space of the project is to be financed with these funds – nor an area not originally a livable space made livable.
- Residential structures
- Real estate or building purchases
- Furnishings and equipment purchases
- Working capital
- Inventory financing
- Title reports and legal fees
- Professional fees such as architects, engineers, and solicitors
- Labor provided by the Applicant or tenant of the building
- Extermination of insects, rodents, vermin and other pests
- Improvements that do not comply with City of Sherman Master Plan, Zoning Ordinance, Building Regulations, and other applicable laws
- Expenses incurred prior to grant application approval. Improvements cannot be undertaken before grant application approval.

Property Lien

Once the work is completed, the City will record a conditional lien on the property to ensure that the property improved with funds from this program remains open, operative, and free of graffiti and blight for a period of five (5) years from the date of agreement. If the Applicant fails to maintain the funded improvements for the entire five-year period, the City will recover its costs through the lien. If the Applicant satisfactorily fulfills the program requirements, the lien will be released at the end of five (5) years from the date of agreement.

Application Process

Program Application and Agreement forms are available in the City Manager's Office in the Sherman City Hall, 220 West Mulberry Street, Sherman, Texas 75091-1106, telephone (903) 892-7201. The application process is as follows:

- After reviewing the program guidelines, the Applicant will meet with City staff to discuss the desired work to be undertaken. If the proposed work is within the program guidelines, as determined exclusively by City staff, a completed application is submitted to the City. Written bids, sketches, color samples, and material supplies should be included.

- The Applicant is responsible for submitting plans and specifications to the City and obtaining all required planning and building permits, and any other applicable approvals, with the assistance of City staff.
- The Sherman City Council will consider the recommendations made by the City staff and will make its decision in a public meeting. The Council's decision will be made by adopting a resolution, which will authorize the City Manager to enter into a grant agreement with the Applicant.
- With the Council's authorization, the City Manager will cause the necessary documents to be drawn up and will sign the grant agreement.
- Upon approval, the City will send a "Notice to Proceed" to the Applicant. The Applicant may proceed with the planned building improvements pursuant to the approved design and issued permits. All payments for the work should be made by the Applicant and supported by clearly defined invoices outlining eligible work. Work shall commence within ninety (90) days of the approval date of the building permits. Extensions may be granted solely at the discretion of City staff.
- City staff will monitor the ongoing progress during construction to ensure that the work is performed according to the approved application and plans. No changes to work shall be made without the written consent of both the Applicant and the City. Approved "Change in Work" forms will be attached to the original application, dated and signed by the City Manager.
- Deviations from approved plans and specifications may disqualify the Applicant from this grant program.
- Once the work is completed, the City will record a conditional lien, good for five (5) years, on the subject property to be released upon completion of the program requirements.
- Funds will be disbursed upon completion of the project. City staff will conduct a final inspection before the grant funds will be disbursed to the Applicant. A Certificate of Approval will be issued to the Applicant.
- Reimbursement claims for all eligible expenses must be submitted with the following supporting documents.
 - A completed Rebate Claim form supplied by the City of Sherman
 - Any applicable planning and building permits
 - Cancelled checks and paid invoices/receipts for eligible work

After final approval of the improvements, the rebate reimbursement will be processed. Allow thirty (30) days for receipt of the rebate check.

- After the work is completed, Applicant shall display a sign or banner (provided by the City) indicating participation in the City of Sherman Central Business District Historic Building Restoration and Improvement Grant Program. The sign or banner shall be displayed either on the exterior or in the front window of the building for a period of thirty (30) days.
